Resources

1. **Always** check the **Calendar/Approved Trainings** area *prior* to participating in a training not conducted by a KY Early Care and Education Credentialed Trainer. **If not** found, we cannot assign credit.
2. Check your Training Record report to make sure you're not repeating a non-face to face training within **5 years**, otherwise you'll receive **0 hours**.
3. In March 2025 per 922 KAR 2:090 Section 11. (19); clock hour credit will **not** be allowed to exceed 15 hours within a 24-hour period. Please plan accordingly.
4. Click on the search results to learn more about the training because some trainings are **Informational only** and do not count towards your annual hours.
5. Check the **date range** given in the search result. Complete trainings within the date range. **If not**, we cannot assign credit.

The Developing Brain: The First Five Years

Dates/Times: Nov. 28, 2024 12:00 pm - Dec. 31, 2026 12:00 am

6. This search result will also provide the **Credit Process**. This field displays to let providers know how credit is entered and the time frame to expect credit to be added.
 - **Self-Report with Individual Training Form (allow 10 days)** email a copy of your dated certificate along with the Individual Training Form from the Resources > Forms area.

Sponsor: Continued Early Childhood Education

Credit Process: Self-Report with Individual Training Form (allow 10 days)

- **Agency File Submission (allow 30 days)** the agency submits a file for ECE-TRIS to process. Do not self-report as only the file will be processed.

Sponsor: Child Care Education Institute: CCEI

Credit Process: Agency File Submission (allow 30 days)

- **Trainer/Sponsoring Agency Entry (allow 10 days)** conducted by a Kentucky Credentialed Trainer who enters your credit. If the 10 days has passed and you do not see the training on your Training Record report, you should contact the Trainer or Agency. Do not self-report as only the credit by trainer will be processed.
